Newfoundland and Labrador Board
of Commissioners of Public Utilities
120 Torbay Road
P.O. Box 21040
St. John's, NL A1A 5B2

**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services
and Board Secretary**

Dear Ms. Blundon:

**Re: Hydro Amended General Rate Application – Island Industrial Customer Interim
Rates, proposed to be effective March 1, 2015**

We write further to the Board's schedule in the above matter, which calls for the filing of intervenors' submissions by Wednesday, February 18, 2015.

Due to today, Monday, February 16, 2015 being a statutory holiday across much of the country, we will be unable to complete our analysis and consultation with our clients with respect to Hydro's Responses to the Requests for Information (made Friday, February 13, 2015, in accordance with the Board's schedule) in time to obtain informed instructions from our clients for February 18, 2015 submissions. We are therefore requesting that the Board's deadline for intervenors' submissions, at least with respect to the Island Industrial Customer Group, be extended by one day to Thursday, February 19, 2015.

We thank the Board for their consideration of this request.

Yours truly,

Stewart McKelvey
