Subject: NLH - 2015 Interim Rates Application - Compliance Application - Hydro's Reply to Comments from Parties

Dear Sirs/Madams:

The Board sent a letter on June 11, 2015 distributing Grant Thornton's report in relation to the above-noted and extending the date for submissions to parties if required.

This e-mail is to advise that if Hydro's requires additional time for the filing of its reply submission, as a result of this extension, the reply must be filed no later than noon on Wednesday, June 17, 2015.

Regards,

Sara Kean

Assistant Board Secretary and Records Administrator
Board of Commissioners of Public Utilities
