

1 Q. Please detail the costs included in 2015 revenue requirement related to the matters
2 under review in the Board’s Investigation and Hearing into the Supply Issues and
3 Power Outages on the Island Interconnected System.

4

5

6 A. For capital items related to the Board’s *Investigation and Hearing into the Supply*
7 *Issues and Power Outages on the Island Interconnected System*, please see Hydro’s
8 response to TIR-NP-NLH-003.

9

10 Hydro has included approximately \$1 million hearing and consulting costs in its
11 2015 revenue requirement related to the matters under review in the Board’s
12 *Investigation and Hearing into the Supply Issues and Power Outages on the Island*
13 *Interconnected System*. However, Hydro expects the additional regulatory costs to
14 continue into 2016 and 2017 with the anticipated filings on the cost of service
15 methodology, rate design review and RSP review expected to be before the Board
16 prior to the implementation of customer rates reflecting the costs of the Labrador-
17 Island interconnection.
