

1    Q.    Please provide the impact, if any, of lower fuel prices on Hydro's gas turbine fuel  
2           expense included in its 2015 revenue requirement.

3

4

5    A.    Please see Hydro's response to TIR-PUB-NLH-006. The impact of lower fuel prices  
6           on Hydro's interconnected gas/combustion turbines diesel units and Holyrood  
7           ignition fuel expenses was not included in Hydro's revenue requirement in its  
8           Interim Rates filing. The overall difference is approximately \$580,000.
