

1 Q. Please explain in detail how Hydro's 2015 return will be impacted if only a
2 percentage of the proposed base rate increase is approved by the Board, including
3 whether Hydro would propose to deal with any shortfall or surplus and, if so, how.

4

5

6 A. Please see Hydro's responses to TIR-CA-NLH-003 and TIR-CA-NLH-004, which
7 provide the impact on earnings of making adjustments to the 2015 Test Year
8 revenue requirement in establishing interim rates.

9

10 Hydro submits that its response to TIR-CA-NLH-001 demonstrates that Hydro's 2015
11 Interim Rates Application meets the standard used in Alberta to justify approval of
12 interim rates.
