

1 Q. Page 6, footnote 20: List each PIRA fuel forecast Hydro has received from January 1,
2 2013 to the date of response to this request, including the date of the forecast and
3 the forecast price.

4

5

6 A. Please note that Hydro accesses PIRA's published price forecasts either by request
7 or via PIRA's website, which is updated subsequent to the completion of revised
8 forecasts by PIRA. Under the license agreement for retainer services with PIRA
9 Energy Group, Hydro is prohibited from releasing PIRA's proprietary content within
10 the public domain and therefore cannot provide PIRA's forecast prices.

11

12 The following table provides forecasted purchase prices for Holyrood No. 6 fuel and
13 Hardwoods combustion turbine diesel fuel for the year 2015 that were prepared by
14 Hydro. The table of prices are based on the PIRA price forecasts which Hydro
15 accessed and which are adjusted by Hydro for exchange and contract fuel delivery.

Forecasted Fuel Prices for the Year 2015
