

1 Q. Please confirm that in its November 18, 2013 application to the PUB, NLH did not
2 request interim rates for its Labrador Interconnected customers for the period from
3 January 1, 2014 until the Board's ruling on NLH's 2013 GRA.

4

5

6 A. It is confirmed that in its November 18, 2013 Application to the Board, Hydro did
7 not request interim rates for its Labrador Interconnected Customers for the period
8 from January 1, 2014 until the Board's ruling on Hydro's 2013 GRA. Hydro's
9 November 18, 2013 Evidence, Page 7, lines 2 to 4, state as follows:

10

11 *On July 30, 2013, Hydro filed its GRA requesting new rates effective January*
12 *1, 2014. This Application requests that those rates become effective on that*
13 *date on an interim basis for all customers, except for those customers on the*
14 *Labrador Interconnected System.*

15

16 However, please also refer to Hydro's response to IR-LWHN-NLH-003, which
17 describes an alternative for a deferral and recovery mechanism, which was
18 included in Hydro's November 18, 2013 Application.
