1 Q. Further to response to Request for Information IR-PUB-NLH-3, please confirm that if
2 the Interim Rate Application is approved:
3 (i) Labrador Interconnected customer rates, established based upon the 2007
4 Test Year, will remain final until the implementation of new final rates are
5 approved based upon a 2013 Test Year with an effective date subsequent to
6 the Hydro General Rate Application order; and
7 (ii) the rates for other Hydro customer classes will change on an interim basis
8 January 1, 2014 to reflect a 2013 Test Year and may require adjustment or
9 refund subject to the Hydro General Rate Application order and then
10 become final effective retroactively to January 1, 2014.
