

IR-PUB-NLH-008
NLH 2013 Interim Rates Application

Page 1 of 1

1 Q. If the Interim Rates Application is approved does Hydro plan to amend the General
2 Rate Application to reflect the approved changes?

3

4

5 A. Hydro's General Rate Application was filed based on a 2013 Test Year requesting
6 new rates effective January 1, 2014. If Hydro's Interim Rate Application is approved
7 with new rates effective on this date there will be no effect on Hydro's GRA. Please
8 also see Hydro's response to IR-PUB-NLH-011.
