

1 Q. Further to the response to IR-PUB-NLH-30, provide the actual 2014 IC RSP
2 adjustment that would be implemented if interim rates as presented in the Interim
3 Rates Application were approved by the Board. If this is not available now, when
4 will it be?

5

6

7 A. The actual 2014 IC RSP adjustment that would be implemented if interim rates as
8 presented in the Interim Rates Application were approved by the Board is provided
9 in the Supplementary Evidence Related to Hydro's Interim Rate Application,
10 Appendix A.
