

IR-V-NLH-008  
**NLH 2013 Interim Rates Application**

---

Page 1 of 1

1     Q.     Reference: General Rate Application filed July 30, Application Schedule B: Rate  
2                    Stabilization Plan (Interim), Sections A(1), A(2), A(4), B(1.1), B(1.2), B(1.3), C(1), C(2),  
3                    D(1), D(2) and F(2)

4                    Each of the above referenced sections refers to various test year cost of service  
5                    parameters or approved test year cost of service parameters. For each occurrence,  
6                    please clarify if the term "test year" means the approved 2007 test year or the  
7                    proposed 2013 test year parameters.

9

10    A.    Hydro is assuming that the intended reference is the RSP Application filed July 30,  
11                    2013 as there was no Schedule B filed as part of the General Rate Application on  
12                    July 30, 2013. In each occurrence noted, the term "Test Year" means the most  
13                    recently approved Test Year unless otherwise noted.
