

1 Q. Reference: General Rate Application filed July 30, Application Schedule 5 B: Rate
2 Stabilization Plan (Interim), Section F(3)
3 In the explanation of the formula term "B", please clarify whether the "approved
4 island industrial customer base rate" is the 2007 approved rate, the proposed
5 phase-in rate or the proposed 2013 test year rate.

6
7

8 A. Hydro is assuming that the intended reference is the RSP Application filed July 30,
9 2013 as there was no Schedule B filed as part of the General Rate Application on
10 July 30, 2013. The "Approved Island Industrial Customer base rate" in the
11 explanation of the formula term "B" is the proposed 2013 Test Year rate.
