

1 Q. (Hydro Reply Evidence dated August 7, 2015, Section 10, Black Start) Hydro's
2 response to CA-NLH-3 (Island Interconnected System Supply Issues and Power
3 Outages Inquiry) states: "*short-term loss of customer load is part of the design*
4 *standard applied. ... This criterion provides a balance of cost and reliability*". Please
5 provide the analysis undertaken by Hydro that balances cost and reliability for the
6 diesel plant.
