5 A. The following is a breakdown of consultants and associated costs related to the
6 noted total shown in Hydro's response to PR-PUB-NLH-121. Services generally
7 include on-site representatives, consultant engineering and management support,
8 environmental studies, and other miscellaneous professional services. Hydro
9 submits that providing specific copies of all the related contracts is not useful or
10 meaningful for the Board or the Intervenors to gain an understanding of the issues
11 that are relevant in the present matter before the Board.
