

- 1 Q. Please provide a daily record of the operation of the new CT to date showing the
2 MWs produced, fuel consumed and cost of this fuel.
3
4
- 5 A. Please see the tables below for daily production of the Holyrood CT since being
6 placed in service, from February 28 to July 31, 2015, inclusive. The fuel
7 consumption and cost data are presented monthly, as Hydro does not track fuel
8 consumption or cost on a daily basis.
