7 A. There are no operating and maintenance contracts in place for the new CT. Please  
8 refer to Hydro's response to PR-PUB-NLH-121 for the capital costs and descriptions  
9 of the most recent audited work to date, i.e., as of December 31, 2014. There were  
10 no operating costs in 2014. The 2015 operating costs to date have not been  
11 audited. As of August 31, 2015, the unaudited 2015 operating and maintenance  
costs (excluding fuel and depreciation) are approximately \$1.5 million.
