6 A. The purchase and installation of the CT was completed through a public tender and
7 was not a direct negotiation. As such, there were no offers or counteroffers made
8 to the seller of this unit. Please refer to Hydro's response to GT-CA-NLH-005 in its
9 Application, *Supply & Install of 100MW Combustion Turbine Generator* for detail
10 related to the evaluation process for submissions received in response to the public
11 tender.
