6 dated Sept. 18, 2014.

TITLE TRANSFER AND RELEASE

In consideration of receipt of all amounts due and owing by Newfoundland and Labrador Hydro (the "**Customer**") for all labor, goods, equipment, materials and services associated with the delivery of certain equipment (the "**Equipment**") furnished by ProEnergy Services, LLC (the "**Contractor**") to Customer under that certain Contract for Procurement for a 100MW (Nominal) Combustion Turbine Generator and Auxiliary Equipment for the Holywood Thermal Generating Station, Contract No. 2014-57952-TB, between Customer and Contractor dated May 16, 2014 (the "**Contract**"), the Contractor hereby affirms transfer of all rights, title and interest in the Equipment to Customer and hereby further releases Customer and its affiliates, subsidiaries and all of their members, shareholders, officers, directors, employees and agents from any and all liens, encumbrances and claims whatsoever arising out of or related to title, use or enjoyment of the Equipment whether asserted by Contractor or by any third party.

IN WITNESS WHEREOF, the Contractor has executed this instrument on the date set forth below.

ProEnergy Services, LLC
