

1 Q. Please provide the contract for the extended (two year) warranty and any reports  
2 which verify that this is the same or equal to a Manufacturer's Warranty.

3

4

5 A. The extended (two-year) warranty is provided for through the EPC contract, details  
6 of which were provided in Hydro's response to GT-NP-NLH-022 in its Application,  
7 *Supply & Install of 100MW Combustion Turbine Generator*. Hydro has no reports  
8 that verify that this is the same or equal to a Manufacturer's Warranty.
