

1 Q. Please provide the name and position of the employee who discovered this CTG,  
2 when and how this discovery took place.

3

4

5 A. This answer is not required for the Board or the Intervenors to gain an  
6 understanding of the matter before the Board. Please refer to Hydro's response to  
7 GT-DD-NLH-030 in its Application, *Supply & Install of 100MW Combustion Turbine*  
8 *Generator* regarding the sale advertisements for the CT.
