4

5 A. Please refer to Hydro's response to GT-CA-NLH-005 in its Application, *Supply &*  
6 *Install of 100MW Combustion Turbine Generator* for detail related to the evaluation  
7 process for submissions received in response to the public tender. Within a formal  
8 due diligence process, representatives from applicable functional departments  
9 within Hydro, such as Project Execution and Technical Services, Finance,  
10 Commercial, Treasury, Risk, Procurement and Legal participated in the assessment.  
11 Names of individuals are not required for the Board or the Intervenor to gain an  
12 understanding of the matter before the Board, and it would be inappropriate to  
13 provide personal identifying information.
