

1 Q. Please provide any industry data compiled by Hydro that verifies that the cost of
2 the new CT is reasonable when compared with the \$/kw cost of similar plants.

3

4

5 A. Please refer to Hydro's response to GT-CA-NLH-004 in Hydro's Application, *Supply &*
6 *Install 100MW Combustion Turbine Generator*, which provides a summary in \$/kW
7 for each of the public tender prices received for this project. This would represent
8 the most relevant industry data comparing the \$/kW cost for similar plants
9 proposed for installation in Newfoundland and Labrador.
