

1 **Q. Re: Tab 1.1 - 2013 Facility Rehabilitation**

2
3 **What are the guidelines established by the Canadian Dam Association? Please**
4 **provide the applicable sections.**

5
6 A. The guidelines established by the Canadian Dam Association (“CDA”) applicable to the
7 Hydro Dam Rehabilitation projects are “CDA Dam Safety Guidelines 2007”, “Dam
8 Safety Guidelines 2007 Technical Bulletins” and “Guidelines for Public Safety Around
9 Dams 2011”. These guidelines are copyrighted and cannot be distributed without written
10 permission of the Canadian Dam Association. They are available at Newfoundland
11 Power’s engineering offices at 55 Kenmount Road for viewing by interested parties and
12 can be ordered online from www.cda.ca.
