Dear Sirs:

Re: Newfoundland Power Inc. - 2013/2014 General Rate Application - Interim Rates

Please be advised that the Board received the above-noted application on December 13, 2012 from Newfoundland Power Inc. which was also copied to your attention.

According to the established review process, parties would normally have 10 days to submit comments. As this matter is time-sensitive the Board has shortened the turnaround for consideration. Therefore we ask that comments be received by 3:00 p.m. on Monday, December 17, 2012.

Yours truly,

Cheryl Blundon
Board Secretary
