

1 **Q. [Decommissioning] – Please provide all supporting documentation for the assumed**
2 **salvage value per unit of salvage material, clearly identifying the date at which the**
3 **price per salvaged component was made and the source. Further, provide the**
4 **quantity of each type of salvable material by unit and the support for each estimate.**
5

6 A. Newfoundland Power does not record salvage information in sufficient detail to provide
7 the requested information.
8

9 Please see the response to Request for Information CA-NP-092 for the unit prices
10 obtained for scrap material.
11

12 All data related to salvage that was utilized by the Company's depreciation consultant,
13 Gannett Fleming, in its preparation of the 2010 Depreciation Study is contained in
14 Attachment A to the response to Request for Information CA-NP-016.
