

1 **Q. [Production Life] – Please provide a copy of any reports, memos, studies, etc.,**
2 **during the past five years which discussed, identified, etc., future potential**
3 **retirement of any of the Company’s generating facilities. If reports, memos, studies,**
4 **etc., are only developed based on a level of generation to be retired without any**
5 **specific reference to a particular unit, then provide the information associated with**
6 **the generic retirement of production capacity by year.**

7
8 A. Please see Attachments A and B to the response to Request for Information CA-NP-036
9 for the reports on decommissioning the Company’s generating facilities.

10
11 Newfoundland Power routinely discusses potential retirement of generating facilities in
12 reports justifying plant rehabilitation projects. These reports are filed with the Board as
13 part of the Company’s annual capital budget applications. Copies of these applications
14 for the past 5 years are already in the possession of the Consumer Advocate.
