

1 **Q. [Data] – Please provide all additions and retirements, both aged and not aged, since**  
2 **the date of inspection on electronic medium in Excel readable format.**

3  
4 A. The inspections carried out by Newfoundland Power’s depreciation consultant, Gannett  
5 Fleming, occurred in June 2010.

6  
7 All additions and retirements for 2010 are provided in the response to Request for  
8 Information CA-NP-033, Attachment A. This Attachment does not identify which  
9 transactions occurred after June 2010. Newfoundland Power’s plant records only identify  
10 transactions by year, not by date. Newfoundland Power does not have the ability to  
11 determine which of the transactions during 2010 occurred after June 2010 in the time  
12 allotted for responding to requests for information.
