- Q. [Net Salvage] Please provide the annual dollar level of outside contractor pay, by year and account or subaccount, reflected in the cost of removal amount in the depreciation study for the past 10 years. Further, identify the premium level of pay associated with outside contractors compared to in-house personnel.
- 6 A. Table 1 provides the annual dollar amount of contract labour, by year and class reflected in the cost of removal amounts in the depreciation study for the period 2001 through 2010.

The amount of contract labour by account and subaccount is not available. Net salvage cost includes total labour costs. These costs are not broken down into regular, overtime, and contractor labour. Newfoundland Power does not have the ability to provide the information requested in the time allotted for responding to requests for information.

16 17 18

19 20 Contractor costs are typically based on unit pricing. Newfoundland Power therefore does not have the information necessary to provide a comparison of contractor and in-house labour rates.
