2 **indicative of the recommended life characteristics, and the complete basis for such**  
3 **conclusion including all workpapers, assumptions, considerations, and material**  
4 **reviewed and/or relied upon in sufficient detail to permit verification of the basis for**  
5 **each situation.**

6  
7 A. Please refer to pages II-24 and II-25 for a listing of accounts in which the information  
8 external to the historical data review led to no significant departure from the indicated  
9 survivor curves from the statistical analysis. For all other accounts, additional factors  
10 relied on for the estimation of life characteristics is discussed in response to Request for  
11 Information CA-NP-084, Attachment A.
