12
13 **A.** See Attachment A for details on the retirement information available for account 378.2
14 for the past 10 years.

15
16 The Company does not have specific information concerning the condition or mileage of
17 the vehicles that were retired between 2001 and 2010. Vehicles are retired based on
18 current guidelines that are submitted each year with the Capital Budget Application.
19 Based on these guidelines, passenger vehicles that are retired are in excess of 150,000
20 kilometers and/or were in a deteriorated condition as a result of their age or usage.

21
22 Generally, all vehicles are ordered as base models with air-conditioning as the primary
23 option. The Company does not routinely track specific vehicle options.
