

1 **Q. Has Newfoundland Power any evidence that would indicate that un-marked vehicles**
2 **are more effective for responding to after hour calls than marked vehicles.**

3
4 A. It is not Newfoundland Power's evidence that unmarked vehicles are more effective for
5 responding to after-hours calls than marked vehicles.

6
7 For further information on usage of marked and unmarked vehicles by Newfoundland
8 Power employees, see the response to Request for Information CA-NP-457.
