

1 **Q. When does Newfoundland Power expect to review its Load Forecast in the GRA and**
2 **when it does so, how current will the information be for both the Conference Board**
3 **of Canada and CMHC?.**
4

5 A. Based on the hearing schedule as provided for in Order No. P.U. 32 (2012) and the
6 commencement of public hearings on January 10, 2013, Newfoundland Power does not
7 plan a further review of its load forecast relative to this Application prior to the
8 conclusion of the matter.
