5 A. In response to Request for Information CA-NP-522, Newfoundland Power has provided
6 the copies of the annual reports of Fortis Inc. for 2009 to present. These reports were
7 also provided to the Consumer Advocate in May 2012 in response to Request for
8 Information CA-NP-218 in the Company's 2012 *Cost of Capital Application*. The
9 reports contain, in tabular form, all of the data requested to be reproduced in this Request
10 for Information.

12 Newfoundland Power declines to reproduce data already in the Consumer Advocate's
13 possession as requested in this Request for Information. The reproduction of material
14 which is publically available and specifically provided (in both this Application and the
15 Company's 2012 *Cost of Capital Application* earlier this year) is clearly not required for
16 the purpose of a satisfactory understanding of the matters to be considered in this
17 Application within the meaning of the *Board of Commissioners of Public Utilities*
18 *Regulations, 1996*.
