

1 **Q. CA-NP 134 asked how NP's composite labour rate increases compare to labour rate**
2 **increases for electric utilities elsewhere in Canada. The information was not**
3 **provided. Please reproduce Table 2-5 using a Canadian utility labour cost index as**
4 **being representative of inflation.**

5
6 A. Newfoundland Power is not aware of the existence of a utility labour cost index as
7 referenced in this question.

8
9 Please refer to the response to Request for Information CA-NP-134.
