

1 **Q. Further to the reply to CA-NP 148, NP indicates that its single supply dependence is**
2 **relatively rare for investor-owned electric utilities in Canada. Please provide a list**
3 **of other utilities in Canada with a single supply source.**

5 A. The Company is aware of only the following investor-owned electric utilities in Canada,
6 which have a single supply source:
7

- 8 • *Yukon Electrical Company.* Yukon Electrical Company serves approximately 15,000
9 customers in the Yukon. It purchases its power supply from the Yukon Energy
10 Corporation, a subsidiary of the Yukon Development Corporation, which is a Crown
11 corporation.
12
- 13 • *Northland Utilities (Yellowknife) Limited and Northland Utilities (NWT) Limited.*
14 Northland Utilities, located in the Northwest Territories, serves approximately 8,000
15 customers in Yellowknife and approximately 2,500 customers in Hay River. It
16 purchases its power supply from Northwest Territories Power Corporation, a
17 subsidiary of the Northwest Territories Hydro Corporation, which is a Crown
18 corporation.
