

1 **Q. Further to Newfoundland Power’s reply to CA-NP-457, how does Newfoundland**  
2 **Power’s policy of allowing “Other key employees” use of unmarked company**  
3 **vehicles after hours compare with other Canadian utilities?**  
4

5 A. Newfoundland Power does not have information on the use of unmarked company  
6 vehicles by other Canadian utilities.  
7

8 Newfoundland Power is aware that its practice of providing unmarked Company vehicles  
9 to key employees to enable them to respond promptly to after-hours electrical system  
10 problems is consistent with vehicle usage practices of Newfoundland and Labrador  
11 Hydro and telecommunications service providers operating in the Company’s service  
12 territory.
