

1   **Q.     Schedule JP-1 pages 1 and 2**

2

3           **Please provide revised pages 1 and 2 of Schedule JP-1 calculated based on the ELG**  
4           **calculation procedure. Please provide this information in electronic format with all**  
5           **formulas intact.**

6

7   **A.**     Time constraints have not permitted Mr. Pous to performed the calculations, however  
8           Gannett Fleming already has its ELG model in place and would only need to change the  
9           ASL and dispersion pattern in order to obtain the requested results.
