

1 Q. (Re: October 2014 Evidence submitted as part of Application) The table on page 2
2 provides a summary list of terms and conditions of interruptible load programs in
3 other Canadian jurisdictions. Please add a row to the table showing testing
4 requirements.

5

6

7 A. The information Hydro has available on the interruptible load programs in other
8 Canadian jurisdictions does not indicate whether testing requirements exist.
