1 CA-NP-01 Has Newfoundland Power Inc. had any discussions with Hydro as regards the
2 necessity of spending \$1,345,000 on the Wesleyville Gas Turbine or the
3 necessity of having it available this winter in the light of the planned addition of
4 the 100 MW CT Unit? If so, what was discussed and learned therefrom? If
5 there have been no such discussions, why not?
