

1 **Q. Have you entered into any contracts with Hydro for the dedicated supply of power**  
2 **from any of your assets for the 2014-15 winter season?**  
3

4 A. Newfoundland Power has not entered into any contracts with Hydro for the dedicated  
5 supply of power from any of its assets for the 2014-15 winter season. Arrangements  
6 between the 2 utilities for the operation of generation assets and other equipment are not  
7 undertaken on a contractual basis.
