

1 Q. A replacement engine has been installed in place of engine S/N 202224 while it is  
2 being refurbished, making Hardwoods available at reduced capacity. Where was  
3 the replacement engine sourced, and at what cost?  
4

5

6

7 A. The replacement engine is being leased from Alba Power at a cost of \$16,000 per  
month.
