

1    Q.    **Projects over \$50,000 but Less Than \$200,000**

2            Replace WiFi Access Points, Various Sites, page E-120:

3            Hydro outlines one failure with the existing access points, and there has been a  
4            degradation in the coverage in an area of Hydro Place. What is the extent of the  
5            degradation?

6

7

8    A.    The central area of Level 3 in Hydro Place has little or no coverage, particularly in  
9            offices and meeting rooms. Access points on each end of Level 3 provide  
10           acceptable coverage on each end of Level 3.
