

1 Q. **Projects over \$50,000 but Less Than \$200,000**

2 Tab 20 Replace Accommodations and Septic System, Ebbegunbaeg:

3 On what basis does Hydro conclude that "adequate levels of comfort and privacy"
4 require single room occupancy?

5

6

7 A. Single room occupancy is the expected norm amongst the modern day workforce.

8 Newly constructed site accommodations, located in Muskrat Falls and Bull Arm,

9 provide single room occupancy for inhabitants. More extensively, modern

10 accommodation facilities, located throughout the provinces of Alberta and British

11 Columbia are constructed to provide the same. See Hydro's response to CA-NLH-

12 066.
