

1 Q. **Projects over \$50,000 but Less Than \$200,000**

2 Tab 29 Replace Vehicles and Aerial Devices:

3 Did Hydro contact utility providers outside of Atlantic Canada to determine
4 vehicle replacement criteria? If so, please elaborate. If not, why not?

5

6

7 A. Hydro contacted ATCO Electric, Hydro Quebec, New Brunswick Power, and Nova

8 Scotia Power during the Canadian Utility Fleet Forum to provide a copy of their

9 replacement criteria so Hydro could use it as a bench mark and compare it to

10 Hydro's replacement criteria. Hydro only received data from the Atlantic utilities.
