

1 Q. **Project C-48: Replace Accommodations and Septic System – Ebbegungaeg**

2 Please provide details regarding the number of days for each year from 2008 to
3 present when female staff have been present at the site?

4

5

6 A. Both males and females have worked at this site from 2008 to present. Hydro is an
7 equal opportunity employer that hires employees and assigns work based on
8 qualifications and does not track employee attendance at its work sites by gender.
