

1 Q. **Project C-57: Install Automated Meter Reading – Various Sites**

2 Table 2: Historical Information, at page 5 of Hydro’s Report found at Volume II, Tab
3 26, shows that from 2007 to 2013-2014, required meter readers have been reduced
4 from 19 to 14. Are these staff still employees of Hydro and, if so, what net savings
5 have been recognized by Hydro as a result of this reduction in required meter
6 readers to date?

7

8

9 A. The five individuals referenced in question IC-NLH-045 are no longer employees of
10 Hydro as a result of retirements and resignations.
