

1 Q. Reference: Replace Accommodations and Septic System, Volume II, Tab 20,

2 Page 2

3 *"The new accommodations will contain: six bedrooms, each with a dedicated*
4 *washroom; a common washroom; a kitchen/dining area; laundry facilities; and a*
5 *common/recreational area..."*

6 Describe in detail the common/recreation area, identifying any amenities such as
7 entertainment and Internet connectivity that is being provided in addition to basic
8 accommodation.

9

10

11 A. The common/recreation area will provide a space for employees to congregate and
12 socialize at the end of the working day. The room will be adequately sized and
13 furnished to accommodate six people. It will contain a colour television, a card
14 table and will be pre-wired to provide the option of future internet connectivity.
