

1 Q. Page 18, Hydro states: *"Hydro, through CEA, is lobbying Environment Canada to*
2 *have a regulatory amendment for sealed equipment such as instrument*
3 *transformers and bushings to allow their use until 2025. Hydro's current budget is*
4 *based upon receiving a regulatory amendment to 2025."*

5 If this amendment is not approved how will it affect Hydro's 2015 capital budget?

6

7

8 A. Please see Hydro's response to IC-NLH-030.
