

1 **Q. *Tab 6.1 2015 Application Enhancements-Property Records Management System***
2 ***Improvements***

3
4 **How many vendors did Newfoundland Power consult regarding the property**
5 **records management system improvements cost?**
6

7 A. Newfoundland Power consulted with two vendors experienced in property management
8 systems and received a budgetary quote from one of the vendors. The Company will
9 engage in a competitive bid process for a property records management system upon
10 approval of this capital budget project.
