

- 1 Q. Reference: *Hydro's 2017 Capital Budget Application, 2017-2021 Capital Plan,*  
 2 *Appendix A, page A7*  
 3 Hydro's 2017-2021 Capital Plan for Gas Turbines includes two items for the  
 4 Holyrood CT as detailed in the following table:

(\$000s)					
Project Description	2017	2018	2019	2020	2021
Perform Turbine Hot Gas Inspection - Holyrood		5,844.8	4,288.5		
Perform Combustor Inspection - Holyrood				2,500.0	2,500.0

- 5  
 6 Please reconcile the information in the above table with the information provided  
 7 in the revised Table 1 provided in response to Request for Information NP-NLH-005  
 8 above.

- 9  
 10  
 11 A. The table above indicates the estimated capital cost and anticipated timing of  
 12 inspections for the period 2017 to 2021. The costs provided in the table above for  
 13 the specified inspections are spread over two years, with project planning and parts  
 14 procurement costs in the first year and project execution costs in the second year.  
 15 The total cost of these inspections is as reflected in the table provided in Hydro's  
 16 response to Request for Information NP-NLH-005.
